

**LIFE16 CCA/ENG/000115****LIFE-MICACC PROJECT****Beneficiary partners responsible for the given project actions**

<b>Action code</b>	<b>Action title</b>	<b>Responsible partner</b>
A1	Preparation of NWRM (natural water retention measure) pilot project in Btya	Btya
A2	Preparation of NWRM (natural water retention measure) pilot project in Puspokszilagy	Puspokszilagy
A3	Preparation of NWRM (natural water retention measure) pilot project in Ruzsa	Ruzsa
A4	Preparation of NWRM (natural water retention measure) pilot project in Rakocziujfalu	Rakocziujfalu
A5	Preparation of NWRM (natural water retention measure) pilot project in Tiszatarjan	Tiszatarjan
C1	Implementation and test phase of the prototype NWRMs	WWF
C2	Trainings for the municipalities on climate adaptation and NWRM	HU MOI
C3	Watershed scale modelling of surface runoff, infiltration and accumulation of water during extreme conditions	PANNON
C4	Development of catchment level partnerships and feasible plans to promote the implementation of NWRM in climate adaptation	WWF
C5	Preparation of plans at other municipalities for the replication of the tested NWRM	WWF
C6	Development of crowdsourcing and networking applications	PANNON
C7	Downscaling and adaptation of the Water Risk Filter tool for the use of Hungarian municipalities	WWF
C8	Development of municipality networks at national level	AOCFM
C9	Connection to European networks of municipalities	AOCFM
C10	Recommendations to the government to strengthen the coordination role of municipalities in climate change adaptation	HU MOI
D1	Monitoring and evaluation of the performance of the prototype NWRMs	WWF
D2	Monitoring of the impacts of the awareness raising and training activities (Assessment of the awareness and knowledge of the target groups)	HU MOI
E1	Dissemination of results to the general public	HU MOI
E2	Website	HU MOI
E3	Networking with other relevant LIFE projects	HU MOI
E4	Dissemination of results to decision makers at municipalities	HU MOI
E5	Dissemination of the results of the pilot projects	WWF
E6	Promoting uptake of project results in neighbouring countries	HU MOI
F1	Overall project management	HU MOI
F2	Monitoring of progress and audit	HU MOI
F3	Preparation of the After-LIFE plan	HU MOI
